

Representing these Quality Manufacturers

PETE DUTY & ASSOCIATES, INC.

PUMPS & PUMP SYSTEMS

SULZER/ABS

Submersible, Solids-Handling, Grinder, Dewatering, Axial Flow and Stainless Steel Pumps, Submersible Self-Aspirating Aerators and Mixers.

SMITH & LOVELESS, INC.

Packaged Pump Stations, Below-Ground and Wet Well Mounted Pumping Systems.

SULZER PUMPS (Water Pumps)

Vertical Turbine Pumps, Submersible Turbine and Well Pumps, Horizontal Solids-Handling Pumps, Horizontal Split Case Pumps.

EPI Engineered Pump, Inc.

Heavy Duty Line of Chopper Pumps with Three-Stage Chopping and Two-Stage Pumping.

MOVING WATER INDUSTRIES

Large Axial Flow and Mixed Flow Stormwater Pumps.

VOGELSANG

Rotary Lobe Positive Displacement Pumps and Heavy Duty Inline and Channel Mounted Sewage Macerators.

WATERTRONICS

Packaged skid mounted water booster pump stations. Custom control systems utilizing VFDs and PLCs.

PROCESS / TREATMENT EQUIPMENT

LAYNE CHRISTENSEN

Pressure filtration for the removal of: iron, manganese, arsenic, uranium, radium and nitrates. Air stripping towers and gas transfer membranes for the removal of VOCs, THMs, and dissolved gases.

MASS TRANSFER SYSTEMS

Jet Aeration and Mixing with Prefabricated Fiberglass Headers and Pods. Submersible Mechanical Aerator / Mixers.

PRO-WATER SYSTEMS

Package Wastewater Treatment Plants, Filters and Custom Tankage.

SULZER

HST Turbo Compressors with Magnetic Bearing Technology, Submersible Tank Mixers, Recirculation Propeller Pumps, Self-Aspirating Aerators.

UNIVERSAL BLOWER PAC

Sound attenuated packaged blower systems using positive displacement lobe and helical screw type blowers.

PUMP & MOTOR SERVICE AND REPAIR

PDA CENTRAL PUMP & MOTOR SERVICE

A division of Pete Duty & Associates
Specializing in Repair & Rewinding of Submersible Pumps & Mixers, Field Service and Preventive Maintenance on Pump Stations.

CONTROLS, INSTRUMENTATION & MONITORING

Badger Meter

BADGER METER

Magnetic Flow Meters, Turbine Flow Meters, Disc Meters and Batch Measurement Systems, Dynasonics Doppler Flow Meters.

CONTROL INTERFACE

Pump Control Panels, Motor Control Centers, Variable Frequency Drive Packages.

HIGH TIDE TECHNOLOGIES

Cellular, Satellite and Cloud Based Monitoring and Control Systems for Remote Applications.

OMNI-SITE

Remote Wireless/Internet Monitoring Systems That Call, Page, E-mail, and Display Information on a Web Page.

PULSAR

Ultrasonic and Radar Level Measurement and Control.

SENSAPHONE

A Complete Family of Monitoring, Control and Communication Devices Featuring Sensaphone® "The Phone Dialer That Listens."

QUALITY CONTROLS, INC.

Pump and Process Control Panels, Positive Displacement Blower Packages.

ANCILLARY EQUIPMENT

FONTAINE AQUANOX

Stainless Steel fabricated gates including slide gates, sluice gates, weir gates, stop gates etc.

AVK

Lever Check Valves.

ENVIRONMENTAL FABRICS, INC. (EFI)

Turn-Key Installations of Lagoon Liners and Floating Covers.

ECOVERDE

Odor control bioscrubbers. Products specially designed for H₂S (hydrogen sulfide) and odor removal.

HALLIDAY PRODUCTS

Aluminum Access Hatch Covers, Wet Well Trash Baskets and Hoists.

HDL

Ball Check Valves.

NORWECO

Chlorination and de-chlorination tablets and feeders.

THERMAFAB

Custom Floating Baffle Curtains, Turn-Key Installation Available.

TOPP INDUSTRIES

Custom Built Fiberglass Wetwells and Valve Vaults with Piping and Valves Pre-Installed.

NORTH CAROLINA

2219 Leah Drive Hillsborough, NC 27278 919-245-5070 919-245-5071 Fax

Serving the Carolinas with integrity for over 40 years. www.PeteDuty.com
